Business Development/Sales and Marketing Manager

Sales and Marketing Manager – Florida

Layne Christensen Company is currently seeking an energetic Sales and Marketing Manager for business development in the state of Florida. We are expanding our service offering to include hydrologic and hydrogeologic studies for water supply, aquifer storage and recovery, and injection well development.

Qualified candidates must have a broad understanding of the water resources industry and will be responsible for contributing to the growth and success of our Layne Hydro group. Candidates must have established work relationships with water management districts and other professionals in the Florida water sector. Travel to various locations throughout the south eastern United States is expected.

Candidates should have a bachelor's degree in Marketing, Hydrology, or related field. A master's degree is preferred. Candidates should have five to ten years of proven sales or marketing experience. Strong written, organizational, verbal, and computer skills are required. Salary is based upon experience, technical background, and qualifications. Layne offers an excellent benefit package including: medical, dental, vision, life insurance, flex spending account and 401(k) as well as an opportunity for advancement.

Layne Christensen Company is the largest full service water supply contractor in the United States offering water treatment equipment sales and services, well and pump rehabilitation, pipeline construction, and pipeline relining services. Layne has over 100 years of experience and operates from offices all over the country.
